THE PILLAR OF LIGHT

*An Excellent Example
of Modern Art in
Illumination*

OVERALL DIMENSIONS:

Height, 10ft.
Diameter at
Base 3ft. 6in.

This Magnificent Lighting Fixture in Art Moderne Design is a fine example of our ability to deal with the unusual in illumination. It is made entirely of plate glass and treated by our new and patented process, reverse etching in fused colours. The only metalwork visible being the small clips at the corners.

There are no shadows, the whole
surface being evenly illuminated.
